## OUR DIRECT TIE-UPS (Colleges & Universities)

Why we should Choose Canada as our higher study destination according to us if we want to prepare our bright future in anticipation of a better life, the choice of getting more knowledge and education plays an important role in this. Even every year a lot of students decide to chase this dream by choosing studying abroad option. Canada is a top choice of almost every student due to the various benefits in the form of flexible course curriculum, international exposure, practical exposure etc. Canada always seems to be ranked to the top of this list. In past few years, the number of international students choosing Canada as study designation has increased.

### FEW POINTS

#### Live and Study in a Good Environment

The three Canadian cities, namely: Calgary, Vancouver, and Toronto ranked fourth, sixth and seventh most livable cities in the world

#### World-class Recognition

The Times 2019-2020 Canada ranked no. 1 among top countries for achieving higher education and postsecondary education standards.

#### Affordable Cost of Living

If I Compare the cost of living and studying in Canada to Australia, Britain and other advanced countries, it is far more affordable.

# GOOGLE REVIEWS

So happy to share my experience with CSES. I received my PPR with in 10 days on 29th July. And my visa application has been denied thrice by Canadian embassy. I scored in IELTS Overall 6 and each 6.

I am so impressed with the counseling and services provided by this company. Started my process with them and must recommend one to visit it once for expert and reliable consultancy.

I am feeling so blessed as I got my PPR today as, earlier my visa got refused from Canada. I want to thanks Mr. Vivek Prashar and whole CSES team for such a great work.

I applied for my Study visa for Canada and received my PPR yesterday. I am so happy as just 1 day before I appeared for my biometrics and next day I received my PPR.
