95% percent benefit goes to participants

We are organizing an event, SHOW ME YA MOVE SEASON 3, next month, where every child is being given an Golden Opportunity to prove their dancing skills, boosting their confidence.

Many people's will start knowing them even above the school level, their personal promotion will be done. Cheif guest will be invited.

The name of the school will be highlighted, and each participant will be given a certificate by us, and their personal growth will be automatic.

They will also be given a demo class of one hour, then a selection will be made from among them.

Just as their mind gets a good exercise with education, so with dance they will exercise their body.
